Do you want to get fitter, faster, and have more integrated functional strength in your active life?

Do you want to see real changes in your body, sleep deeper, feel happier, while having fun?

If yes, then join One to One Wellness' Small-Group Training Sessions at a Great Price!

Functional & High Intensity Fitness Group

Brooks, Mimi and the One to One Wellness Team are committed to working with a group of motivated and hard-working individuals looking for results. This Crossfit-style training incorporates full body, dynamic exercises, kettle bells, and Olympic weightlifting in fun, fast-moving workouts that are custom-designed--different each session--scaled to all abilities--from beginner to advanced.

The workouts keep you engaged and motivated, and participants will see significant progress in how they perform, look and feel. You will be trained in the correct movement patterns to live an active, year-round Jackson Hole lifestyle, while injury-free. These workouts will focus on developing speed and power. You'll also learn fitness drills that you can easily use on-the-road or at home.
